

We are able to offer you high quality, independent and impartial IT advice. We can assist with a range of IT and communications solutions that fit with you and your business including:

- technical consultancy
- demonstrations of hardware and software
- procurement and installation of hardware and software
- business continuity consultancy
- remote data back-up facility.

Accountancy software support

We have a team of highly trained staff with experience of advising on a range of accountancy software and are members of the Sage Accountants' Club.

This enables us to provide advice on a range of Sage products including:

- Sage 50 Accounts
- Sage Payroll
- Financial Forecasting.

We can support you with training, advice and cover whenever the need may arise to ensure the accounting function will always run smoothly regardless of staff changes and absences.
